IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF WEST VIRGINIA

SMITTY E. HARDING,

Petitioner,

v. // CIVIL ACTION NO. 1:10CV158 (Judge Keeley)

WILLIAM E. FOX, Warden,

Respondent.

ORDER ADOPTING REPORT AND RECOMMENDATIONS (DKT. 18),
GRANTING RESPONDENT'S MOTION TO DISMISS (DKT. 14),
DISMISSING 28 U.S.C. § 2254 PETITION AND
DENYING CERTIFICATE OF APPEALABILITY

On May 9, 2011, United States Magistrate Judge James E. Seibert entered a Report and Recommendations ("R&R"), concluding that this petition under 28 U.S.C. § 2254 should be dismissed for lack of jurisdiction, lapse of the statute of limitations, and failure to exhaust state remedies.

The <u>pro</u> <u>se</u> petitioner, Smitty E. Harding ("Harding"), did not file objections despite being warned that his failure to do so would waive any right to appeal or dispute the findings of the R&R. Harding's failure to object similarly relieves the Court of any duty to conduct a <u>de novo</u> review of the R&R. <u>See Thomas v. Arn</u>, 474 U.S. 140, 148-153 (1985); <u>Wells v. Shriners Hospital</u>, 109 F.3d 198, 199-200 (4th Cir. 1997). Finding no error in its reasoning, the Court **ADOPTS** the R&R (dkt. 18) in its entirety, **GRANTS** the Respondent's motion to dismiss (dkt. 14), and **DISMISSES** the

HARDING v. FOX 1:10CV158

ORDER ADOPTING REPORT AND RECOMMENDATIONS

petition. Finding no issue of constitutional merit upon which reasonable jurists might differ, the Court **DENIES** a certificate of appealability in this matter. <u>See</u> Rule 11(a), Rules Governing Section 2254 and 2255 Cases.

It is so **ORDERED.**

The Court directs the Clerk to remove this case from the active docket, and to transmit copies of this Order to counsel of record and to the <u>pro</u> <u>se</u> petitioner via certified mail, return receipt requested.

Dated: June 27, 2011
